AMENDED IN ASSEMBLY MAY 31, 2016 AMENDED IN ASSEMBLY MARCH 30, 2016

CALIFORNIA LEGISLATURE—2015–16 REGULAR SESSION

ASSEMBLY BILL

No. 1792

Introduced by Assembly Member Wood

February 4, 2016

An act to amend Section 332 of the Fish and Game Code, relating to hunting.

LEGISLATIVE COUNSEL'S DIGEST

AB 1792, as amended, Wood. Elk tags: federally recognized Indian tribes.

Existing law authorizes the Fish and Game Commission to determine and fix the area or areas, the seasons and hours, the bag and possession limit, and the number of elk that may be taken under rules and regulations that the commission may adopt from time to time. Existing law authorizes the Department of Fish and Wildlife to issue an elk tag upon payment of a fee and to deposit that fee into the Big Game Management Account.

This bill would require the commission, department, upon request, to engage in consultation meet with individual federally recognized Indian tribes in California regarding elk management issues. The bill would authorize the commission to allocate a specific number of elk tags to such an Indian tribe for the purpose of harvesting elk located within the defined territory of that tribe for purposes of subsistence, cultural or religious ceremonies, or tribal celebrations. California to discuss elk-related issues for elk located within the territory of the individual tribe. The bill would require the department, prior to an

allocation of elk tags to an Indian tribe, department to work collaboratively collaboratively, and in good faith, with that tribe on the development of a science-based elk management strategy that includes tribal harvest for cultural, ceremonial, and subsistence purposes. to identify possible science-based solutions.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Section 332 of the Fish and Game Code is amended to read:

332. (a) The commission may determine and fix the area or areas, the seasons and hours, the bag and possession limit, and the number of elk that may be taken under rules and regulations that the commission may adopt from time to time. The commission may authorize the taking of tule elk if the average of the department's statewide tule elk population estimates exceeds 2,000 animals, or the Legislature determines, pursuant to the reports required by Section 3951, that suitable areas cannot be found in the state to accommodate that population in a healthy condition.

- (b) Only a person possessing a valid hunting license may obtain a tag for the taking of elk.
- (c) The department may issue an elk tag upon payment of a fee. The fee for a tag shall be one hundred sixty-five dollars (\$165) for a resident of the state, as adjusted under Section 713. On or before July 1, 2007, the commission shall, by regulation, fix the fee for a nonresident of the state at not less than one thousand fifty dollars (\$1,050), as adjusted under Section 713. The fees shall be deposited in the Big Game Management Account established in Section 3953 and, upon appropriation by the Legislature, shall be expended, in addition to moneys budgeted for salaries of the department as set forth in Section 3953.
- (d) The commission shall annually direct the department to authorize not more than three elk hunting tags for the purpose of raising funds for programs and projects to benefit elk. These tags may be sold at auction to residents or nonresidents of the state or by another method and are not subject to the fee limitation prescribed in subdivision (c). All revenues from sales pursuant to this subdivision shall be deposited in the Big Game Management

-3- AB 1792

Account established in Section 3953 and, upon appropriation by the Legislature, shall be expended as set forth in that section.

- (e) The commission shall direct the department to annually authorize one elk tag of the total number of tags available for issuance to nonresidents of the state.
- (f) Upon request, the commission shall engage in consultation department shall meet with individual federally recognized Indian tribes in California regarding elk management issues and may allocate a specific number of elk tags to a federally recognized Indian tribe for the purpose of harvesting elk located within the defined territory of that tribe for purposes of subsistence, cultural or religious ceremonies, or tribal celebrations. Prior to an allocation of elk tags to a tribe pursuant to this section, the California, including, but not limited to, tribes located within the Pacific northwest of California, to discuss elk-related issues for elk located within the territory of the individual tribe. The department shall work collaboratively collaboratively, and in good faith, with the tribe—on the development of a science-based elk management strategy that includes tribal harvest for cultural, ceremonial, and subsistence purposes. to identify possible science-based solutions.
